7550 France Ave. South, Edina, MN

Coon Lake, East Bethel., Anoka County, 1,259.20 acres. Sand, silt and muck bottom.  
Maximum depth: 27 ft., average depth 10 ft.  
Water Clarity: 7.75 ft.  
Aquatic Invasive species: Eurasian watermilfoil.

MN DNR Fishing Report: <http://www.dnr.state.mn.us/lakefind/showreport.html?downum=02004200>. NOTE: Special and/or Experimental Fishing Regulations exist on this lake. Periodic low oxygen levels from decaying organic material in the shallow areas lead to fish die-offs.

Anoka Conservation District: [http://www.anokanaturalresources.com/acd/tech\\_assist/monitoring/lake\\_wq.htm](http://www.anokanaturalresources.com/acd/tech_assist/monitoring/lake_wq.htm)  
Coon Lake Association Water Quality Plan: <http://www.coonlake.org/f/CLWaterQualPlan08.doc>

NOTE: There are four Coon Lakes in Anoka County. South Coon, Little Coon and two Coon lakes. This lake has been rated Impaired by the MPCA. Check properties for revised regulations and shore restoration, Metro Council Wastewater treatment (city water and sewer), and non-conforming septic.
